The Little Pizza Paradise Difference

Our pizza tastes better because:

- We use the best pizza cheese money can buy – Grande’s® 100% mozzarella right out of Wisconsin. If you haven’t had Grande® pizza cheese, stop by and taste the difference a great cheese makes.
- We use only the finest “fresh-pack” tomato products blended with 8 special ingredients to make our homemade pizza sauce.
- We make our dough fresh on a daily basis - no frozen or pre-made dough here.
- We cook our pizzas on an authentic stone deck oven, the only way to get that perfect crust. Yeah, it takes a little longer and is more work, but we want you to have the best pizza possible.
- We use real Canadian bacon (not pork roll like others use), top quality “classic” style pepperoni and “pure” (i.e. - no fillers) sweet fennel Italian sausage.

Little Pizza Paradise

Saving you from bad pizza and doing our part to save the planet. Some examples of our planet saving initiatives include:

- Purchasing 100% of our power through Pacific Power’s Blue Sky renewable energy program.
- Recycling of metal, plastic, glass, paper and cardboard waste.
- Using pizza boxes made from recycled corrugated material.
- Using the following biodegradable/compostable products:
 - take-out bags
 - plates made from sugar cane pulp
 - take-out utensils made from vegetable starches
 - salad containers made from plant based polymers that compost back to nature in 45 days
- Using eco-friendly cleaners.
